

Sunbeam School, Babatpur

Annual Report 2020-21

Good Evening and Jai Hind everyone.

A warm welcome to everyone arrived here today. I am here with my team to present annual report for the academic session 2020-2021 and so with this

I pay homage to our founder father and mother of Sunbeam Group Mr. Dr. Amrit lal Ishrat Madhok & Mrs Jagdish Rani Kaur.

As we approach to the next academic year and our service towards providing quality education, I take this opportunity to thank the almighty lord for his blessing and guidance from our parents , students, teachers, and well-wishers .

There is a great saying:“Real education fetches you more than a job. It teaches you to live. It cannot be measured in any tangible way, “the main aim of our school is to provide a rich, diverse and challenging education through excellent and innovative teaching and learning.

As we share the yearly update of our activities, it gives me immense pleasure to state that we did our best to do as we had planned and we are proud of our students and teachers who strive hard to achieve beyond expectations. We also have focused on the holistic development of the students.

The success story of Sunbeam Babatpur is that it blends the children of rural belt and motivates them to put their best foot forward. From 121 students in 2018 to 270 students in 2021 is an achievement itself. It is my pleasure and honour to inform you all that we have achieved affiliation till class X.

We duly appreciate the tremendous co-operation on the part of everyone associated with this institution who did their best to mould our students to work hard, to make their dreams and aspiration come true . Apart from the various core subject teachers, we have an enthusiastic team of teachers for physical education, yoga, music, dance, and karate.

*staying updated is the key to success in any field, especially in the field of education. Our teachers constantly strive to stay updated, by attending various workshops and training such as

*workshop on personality development and life skills.

*workshop on classroom planning and management.

*workshop on effective communication and personality development.

*various workshops for language teachers and subject wise were held enlightening the innovative methods of classroom teachings.

The parent-teacher association through its enormous activities and support make a positive contribution in sustaining the quality of educational transaction that takes place within the school. Their constructive criticism and valuable feedback has always been helpful and appreciated.

Our students have always made us proud with their dedication and hard work.

DHK Eduserve deserves a huge round of applause for the various ways they have taken to 17 cities of Eastern Uttar Pradesh.

Before concluding this report, I bow my head in reverence to the god for the blessings; he has showered upon this institution. I also take the opportunity to express my deepest gratitude to students , teaching and support staff , parents, benefactors and well wishers for whole hearted co-operation .

The life skills & values taught through school cinema is an integral part of our school.

This year has witnessed some major events and activities that have provided students a platform to display their caliber in various fields.

Debate and quiz competitions help to improve our thinking, learning and speaking abilities.

The visit of Assamese dancers under Spic Macay provided a better understanding of rich and varied heritage of India.

Reading Mohotsava provided an expansion to our language skills and vocabulary.

English and Hindi elocution taught us about the arts of communication.

Non- Thermal cooking made us realize that we can be a chef too .

News reportage kept us aware about the important events around us .

We visited Sarnath ,

As a part of educational tour.

Time is short and the list is too long. My report is incomplete if I do not mention the diligence of our student's council who are always on their toes to maintain the discipline of our school.

Life in Sunbeam is a journey from student to a responsible citizen of the nation.

Now, I would like to take your leave with a promise to come back with more achievements in the basket of Sunbeam.

Thank You.
