Mr. Shivshakti Singh

CHAIRMAN'S MESSAGE:

Dear Parent,

I am delighted to extend a warm welcome to all parents and students at Sunbeam School Babatpur. Our commitment to holistic education is unwavering, focusing on nurturing curiosity, fostering creativity, and instilling a deep love for learning in every student. By combining the best of modern and traditional approaches, we aim to prepare your child to become a global citizen ready to navigate an ever-changing world. Our school boasts state-of-the-art facilities, providing a safe, supportive, and stimulating environment for students to learn and grow.

As a school community, we are dedicated to ensuring a rewarding and successful academic journey for each student, where they can thrive and reach their full potential.

Ms. Geeta Singh

PRINCIPAL'S MESSAGE:

Dear Parent,

At Sunbeam School Babatpur, we cultivate the brilliance within each child through a commitment to world-class education. Beyond academics, we focus on fostering critical thinking, problem-solving, and effective communication skills to prepare students for the dynamic challenges of the world.

In our safe and inclusive environment, we prioritise your child's well-being and empower them to explore their talents. At Sunbeam, we don't just teach; we inspire, mentor, and guide, recognising that each child's future is a shared responsibility.

Thank you for entrusting us with the privilege of shaping your child's educational journey at Sunbeam School Babatpur.

Our Facilities

Digital Classrooms

TeachNext – An Award-Winning Digital Classroom Solution

Our school has many unique learning spaces that are integrated with digital classrooms, helping students overcome their academic challenges. We have designed the classrooms in a way that inspires students to be creative. In addition, the multi-purpose open spaces in the school take learning beyond the classroom. These spaces are also used for sports, music, drama, and other extracurricular activities.

Next Labs

Welcome to **NextLab**, where hands-on learning meets modern education. Our four specialized labs – MathsLab, ScienceLab, RoboticsLab, and EnglishLab – offer interactive experiences tailored to **21st-century** learners. From applying maths concepts in real-life scenarios to exploring STEM skills through robotics, students engage in active learning. English enhances language proficiency with blended teaching methods, while our Computer Lab ensures students stay abreast of technological advancements.

Next Books

Introducing Next Books, a comprehensive curriculum solution providing a holistic and well-rounded education. Tailored to nurture students' intellectual, social, and emotional growth, Next Books offers a diverse range of educational resources. From foundational subjects to enriching extracurricular materials, our curriculum ensures a grounded and enriching learning experience for every student. Welcome to Newton World School, a new standard of education with Next Books.

School Library

The school library remains an integral part of education, even in today's digital era. Beyond simply stocking books and resources, we actively promote reading engagement by dedicating specific periods to library use. Students, starting from the primary level, are encouraged to utilise this facility. We value student input, considering their suggestions to enhance our library's offerings, ensuring it serves their academic and non-academic needs effectively.
